

Polivac Dual Brush Mini Battery Scrubber

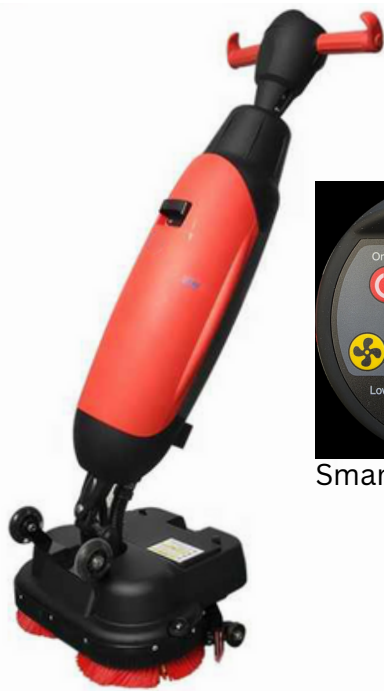

GB380D

Polivac GB380D Scrubber has the advantages of simple and flexible operation, small turning radius, and can clean underneath low shelves and counters that the general floor scrubber can't reach. It is suitable for use in places with strict noise control requirements. Can be used to collect liquid spills, rain water, fruit juices and other common liquid in one pass leaving the floor touch dry.

Equipped with large capacity lithium battery, detachable tank separation design, optional spare battery which can be replaced at any time to extend the working time.

The brush is fixed by magnetic attachment, and the brush can be easily replaced with a pad holder to attach replaceable pads. Fitted with electronic water flow control to adjust water flow.

Smart control panel

- **Battery : 36V 12AH**
- **Battery Run Time : Up to 2 hours**
- **Battery Charging time : Up to 3 hours**
- **Working Width : 430mm**
- **Suction Width : 450mm**
- **Efficiency : 800-1000m²/hour**
- **Brush Diameter : 212mm x 2**
- **Brush Power : 36V 120W**
- **Brush Pressure : 6kg**
- **Suction Motor : 36V 120W**
